Administrative Director/CEO

**Compensation:** \$19.39 to \$24.72 per hour

**Reports To:** Health Center Manager

#### JOB SUMMARY:

The *Patient Engagement Specialist* is bilingual in English/Spanish and has mastered the clerical duties related to patient visits. They are an expert in phone communication specifically communicating with patients via telephones in a friendly, professional, and welcoming manner. Their primary duty will be to proactively communicate with patients to facilitate adherence to HEDIS (Healthcare Effectiveness Data and Information) measures. They are integral part of the healthcare delivery team. They demonstrate the District's core values of **Compassion, Commitment, and Excellence**. Assist and support the Front Office Lead and Health Center Manager in accordance with current policy and procedure, applicable federal, state, and local standards, guidelines, and regulations. They adhere to principles of service and the philosophy and mission of Del Puerto Health Center in all aspects of job performance. They are keenly aware that they are the District's representative and often the first impression of the Health Center.

#### ASSIGNED AREA RESPONSIBILITIES

The *Patient Engagement Specialist* will be required to perform all specific duties for the assigned area. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Other duties may be assigned.

#### **Patient Outreach**

- Display a positive attitude while helping patients access to health care and overcome barriers.
- Contact new enrollees of all age groups under various health plans to set up initial appointments.
- Coordinate special screening programs sponsored by health plan.
- Schedule and confirm appointments for multiple providers.
- Follow-up with appointment cancelations and no shows.
- Back up the phone center during times of high call volume
- Screen incoming and routine calls; take detailed messages such as patients name, dob, phone number, pharmacy name, and medications before forwarding to clinical staff and providers.
- Confirm insurance eligibility and assist patient with insurance verification.
- Improve patient relationships by showing empathy and address what is important to the patient.
- Advocate for patients and be resourceful in finding solutions to access health care.
- Improve the patient relationship with the Health Center.
- Assist medical providers in retrieving Healthcare Effectiveness Data and Information (HEDIS) to improve health care quality.
- Identify and communicate significant changes in patient's status (potential or actual adverse patient occurrences) to the medical provider.
- Triage the patient's needs to get the appropriate care for the patient within the appropriate timeframe.

- Take patients' medical history, understanding provider and supervisor instructions, and for accurately documenting patients' medical information in Electronic Health Record.
- Reassure patients calmly in stressful situations.
- Properly spell and use medical terminology.
