**INTERESTS IN LOCAL GOVERNMENT**

What are your main interests in local government? \_\_\_\_\_

My desire is to see elected officials serve their constituents honestly and efficiently. I want to support them and encourage them in this endeavor in any way possible. I believe that an effective government is a crucial part of a functioning society. Self-serving agendas can be a huge hindrance to effectiveness.

What experience in local government do you bring? \_\_\_\_\_

I have been a regular attender at our local city council, at Stanislaus County Board of Supervisor meetings, and in Sacramento for a number of years. I speak out when I feel it is necessary. I seek to engage with representatives and have fruitful dialogue.

Prior public service? \_\_\_\_\_

I am currently a member of the Patterson Downtown Revitalization Committee. I am also a C.E.R.T. member and was part of the original graduating class in Patterson.

~~Past and Present community activities:~~ \_\_\_\_\_

I have spent volunteer time with H.O.S.T. House and Love Patterson. Much of my community involvement is done through our church, Golden Valley Baptist Church, here in Patterson. For example, each year we provide complete Christmas meals for a number of Patterson families in need.
